

## Musicians Selected to Honor Ensembles

Congratulations to Westhill High School student-musicians for their selection to prestigious honor ensembles across New York State!

NYSSMA Area All State - February 3-4, Area All State Festival - Ithaca College  
Alden Carroll (percussion), Phoebe Gumaer (bassoon), Lily Young (bass clarinet) and Molly Dorfman (trumpet - alternate) - Area All State Symphonic Band

Kenzie Caccamo and Ileana Hopkins - Area All State Treble Choir

NYSBDA Honor Band - March 3-5, NYSBDA Winter Conference - East Syracuse  
Lily Young (bass clarinet and contrabass clarinet) and Phoebe Gumaer (bassoon - alternate)

### Symphoria Youth Orchestra

Molly Dorfman (trumpet) and Phoebe Gumaer (bassoon)

Hartwick College Fall Honor Band - October 23, Hartwick College

Lily Young (bass clarinet and contrabass clarinet) and Phoebe Gumaer (bassoon)

These Westhill students were selected to Area All-State Ensembles, the Hartwick College Honor Band and the New York State Band Directors Association Honor Band based on recommendations made because of their outstanding Spring 2022 NYSSMA solo evaluation scores. Molly and Phoebe both auditioned for and were accepted into the Symphoria Youth Orchestras, which rehearse and perform regularly throughout the school year. We are so proud of our student-musicians for their impressive accomplishments!

Pictured left to right are: Alden Carroll, Phoebe Gumaer, Molly Dorfman, Lily Young, Ileana Hopkins and Kenzie Caccamo.

## Holiday Recess

Friday, December 23rd -  
Monday, January 2nd

# Walberta Park School

## Following Commitments

Mrs. Merritt's kindergarten students have been learning to be play experts and following their commitments to play. These commitments are; invite others, share, use kind words and take care of materials. The class integrated these commitments to play, math concepts and study of the Hh into a hot dog and hamburger stand. Many staff members visited our "restaurant", including Mr. Dunham and Dr. Kramer!

## Book Fair

This fall, Walberta Park hosted a dinosaur themed Scholastic Book Fair. Students enjoyed dinosaur activities and had fun choosing books. The book fair was supported by WEST parent volunteers, and profits from the fair are used to purchase books for students in need and the Summer Book Bonanza as well as support the WEST parent organization. Pictured are kindergarten students, Joseph Bufano and Tyler Kampas.

## Kindergarten Field Trip

Kindergartners went on a field trip to the Onondaga Free Library. The wonderful staff at the library taught the students finger plays, read books and sang songs. Classes had the chance to explore the space and use the many resources.

## Halloween Festivities

WPS celebrated Halloween with costumes, parties and a parade. A great time was had by all! Pictured is Mrs. West's kindergarten class in their costumes.

# Walberta Park and Cherry Road Schools

## Firefighters Visit WPS and CRS

Firefighters from the Solvay Fire Department visited Walberta Park and Cherry Road Schools to discuss fire safety with our students. They discussed ways to be safe at home, and showed students some of their fire safety equipment as well. Each class was able to go outside and look through a fire engine as part of the day. Thanks to the SFD for helping our students stay safe.

## Third Graders Learn About Bees

Special education teacher, Mrs. McDermott, popped into some 3rd grade classrooms to let students try honey straight from a honeycomb frame. Students were able to feel the sheer weight of a full 6-pound honey frame, got to see the cappings removed in order to expose the honey, tasted honey straight from the comb and learned that the different colors meant the honey was from different flowers. Lastly, they spun the honey out of the frame and could see the empty honeycomb cells. A few students were politely honest and said they didn't like the taste or the smell, but most students came back for more! *\*The bee suit was just for fun; no bees were brought into the classroom.*

## Visit From Snargg

On November 18, Snargg visited the WPS Friday program. He stopped by to congratulate students on their hard work in iReady Math.

## Fall Obstacle Course

Through the generosity of WEST, Cherry Road was able to get an inflatable obstacle for Mr. Connelly's annual fall obstacle course. Students enjoyed bouncing through this section of the course on their way through the many different challenges that kept the students moving!

# Cherry Road & Onondaga Hill Middle Schools

## CRS Fall Mileage Club

Mr. Connelly recently completed the Cherry Road fall mileage club. Students came to school early every Thursday to get some healthy steps in. Students tracked how many laps they completed and even incorporated some circuit training on days that they had to be inside. As an added bonus, Mr. Connelly was able to receive a t-shirt for each participant from the New York Road Runners Club.

## IDEAs Club Has Kicked Off at OHMS

In October, IDEAs which stands for (Inclusion Diversity Equity Afterschool) celebrated Hispanic Heritage with foreign language teacher. She stopped by to talk about the Hispanic culture and how the Disney movie “Encanto” relates so much to her childhood. Also, October was Homelessness awareness month. The group spent time learning and spreading awareness for the people who often get overlooked; the “Invisible People” of America. IDEAs became activists for the homeless community! The leaders experienced what it would be like to walk in a homeless person’s shoes.

During the month of November, we celebrated Native American Heritage. The leaders had a special visit from a resident of the Onondaga Nation. Dehowähdadih (Mr. Powless), who is a teacher at Onondaga Nation School for the past 30 years, spoke with the group about family, heritage, etc. Dehowähdadih had an activity packet that he handed out for everyone to take with them. The leaders were also able to ask a host of questions about how life is on Onondaga Nation.

## Dialogue Exchange with Lincoln Middle School

This year, we are grateful for the chance to offer students in 7th and 8th grade to participate in a school dialogue exchange program with 7th and 8th grade students from Lincoln Middle School in the Syracuse City School District (SCSD).

The school dialogue exchange programs empower students to build empathy and cultural understanding, and to create a more inclusive school environment. Dialogue is a tool to help people see the differences between groups as a strength of communities rather than challenges to overcome. These school exchange dialogues are used to build common ground and to help students develop ways to improve their schools.

Students from OHMS and Lincoln had their first exchange on November 9. They will get together four more times to learn the skills of personal reflection, empathy, collaboration, action-planning and experience belonging and empowerment.

# Onondaga Hill Middle School

## General Music Happenings

OHMS 6th grade general music students will be learning how to play guitar. This unit begins with a brief history of the instrument as well as learning the parts of the guitar.

OHMS 5th grade general music classes have begun their world drumming unit in which they learn about percussion instruments indigenous to countries and cultures around the world. Students are learning instruments such as the djembe, claves, caxixi, cajón and more.

## Rescue Mission Food Drive

National Hunger & Homelessness Awareness Week is held yearly the week before Thanksgiving. This is a time for all of us to start thinking about what we are thankful for, a perfect time to share our compassion with our neighbors and work together to eliminate hunger and homelessness in our community. The OHMS students worked together with their homerooms to bring in food items to benefit our local Rescue Mission.

## Thank You Veterans

Students at OHMS made thoughtful and caring cards for the Veterans at the VA Hospital in Syracuse. Their words and creativity showed kindness and gratitude. We delivered close to 300 cards this year! Thank you to the Veterans that have served our country. We appreciate your leadership, perseverance and bravery.

## Budding Carpenters in Technology

Mr. Crowell and a hardworking group of 7th and 8th grade students worked together to build two new picnic tables for lunch groups at OHMS. With more outside seating available, students can take advantage of some fresh air during the school day!

## Students of the Month

### September

5th Grade: Connor Fogarty is a kind student. He is competitive during PE class, but always makes sure that others are included. He is a fabulous kid and always makes people smile.

6th Grade: Giada Auringer is a wonderful friend and works her very best in school. She always gives 100% and is never afraid to ask for help if she needs it.

7th Grade: Evan Chaddock is just a great kid! He brings such joy to the class, and is always willing to try new things in class. He does not hesitate to participate, and always has a positive attitude. He works hard to do well, and takes pride in his work.

8th Grade: Hazel McNeilly is awesome! She is positive, encouraging and brings joy to class every day. She approaches each task with a can-do attitude, and is always willing to go above and beyond. She works hard, and takes great pride in her work.

### October

5th Grade: Nora Worden is a great addition to our OHMS school community. She is a dedicated student who works hard on her assignments, and demonstrates her love of learning daily. She is a gentle friend to others, and demonstrates many of the P2 traits including integrity, fairness and kindness. Great job!

6th Grade: Gavin Greenfield is very dedicated to giving his best effort in everything. He's a kind and patient young man, happy to make new friends and lend a hand to others.

7th Grade: Skylar Buckman is a wonderful student. She works hard, and advocates so well for herself and others. She is willing to participate in class, and works great in groups with others and holds them accountable for work. Sky is witty and funny, and is a great addition to every classroom.

8th Grade: Jaicier (JaJa) Tolbert is an extremely hard worker in class. He always puts in his best effort to learn new material. He gets along very well with his peers and is one of the politest students we have worked with. He is new to our school, and we are so happy to have him here at OHMS. Great job, JaJa!

# Westhill High School

## National Letter of Intent Signees

On Thursday, November 10, surrounded by their family and friends, five Westhill standout athletes signed their National Letters of Intent. The following student athletes will continue their respective academic and athletic careers at the Division I level:

Ashley Bolesh – Track and Field at the University of Richmond  
Karly Dillabough – Lacrosse at Fairleigh Dickinson University  
Luke Gilmartin – Lacrosse at Cornell University  
Addie Lowery – Lacrosse at the University of New Hampshire  
Anna Rosenberger – Lacrosse at the University of Vermont

Congratulations to all! Best of luck on all of your future endeavors in the classroom and on the athletic fields and track.

## Top Chef Francais

The Westhill High School French Club was pleased to present our second annual French cooking contest. On November 14, nineteen contestants from every grade level competed in three categories: les entrées (appetizers), les plats principaux (main dishes) and les desserts (desserts). The chefs were evaluated on plating, complexity, their knowledge of the dish and, of course, taste. Our foodie judges, Mr. Roscoe, Mr. Dolan, Ms. Quijano and Mr. Ferrick, were happy to sample a variety of foods from various francophone countries and regions. Everyone did a great job and their effort was fantastique!

Our winners were:

l'entrée : les gougères from Maille Alt and Emmett Hayes

le plat principal : la ratatouille from Molly Thompson, Mary Kate Rewakowski and Alison Lancette

le dessert : la crème caramel from Sike Ajagbe and Sydney MacBain

Congratulations to all!. Maybe our débutant chefs will help make Thanksgiving dinner! Bon appétit!

## Future Teachers Club

The high school Future Teachers Club went on a field trip to SUNY Cortland. They toured the entire campus, early-childcare center and education department. Westhill alumni, DJ Caloia, was our official SUNY Cortland tour guide. Students learned about SUNY Cortland's education programs, career services and student teaching placements.

# Westhill High School

## Teen Institute

Members of Westhill's Teen Institute, with their advisor, Mrs. Jillian Fritz, attended the Heart of New York Teen Institute conference in Speculator, NY from November 10-13. Teen Institute is a nationally accredited youth leadership program that promotes healthy decision-making. Students worked with their school groups as well as youth from around the upstate and southern NY areas to create ideas to help make their schools more welcoming places, with a large emphasis this year being on mental health. Westhill's team developed activities that they look forward to sharing with the high school in the near future!

## A Spook-tacular Celebration

In a record show of numbers, students had a spook-tacular time participating in a variety of games, getting scared in the haunted hallway and watching a science demonstration at our annual Halloween party! Character Ed. members would like to thank families for taking the time to attend this event. All proceeds raised will be used directly to help support community initiatives and families in the Westhill district.

## Digging Deep Into Water

Environmental students have been digging deep into the history of Onondaga Lake; including the resorts, parks, etc. that made Syracuse such a tourist hot spot! They learned about the contamination of the lake through the production of Soda Ash, along with how we continue to pollute the lake with combined sewer overflow and runoff. Students visited the wastewater treatment plant to understand how water is treated before it's put back into our lake along with combined sewer overflow issues. We wrapped up our field trip by visiting Honeywell's Onondaga Lake Visitors Center to learn more about the dredging and capping process with the contaminants, along with restoration initiatives and how they continue to monitor toxins in the water.

Students will now be working on a project that aims to answer the question, "How can we inform local immigrants and refugees about the history, the dangers and the prospective future of Onondaga Lake?" We will have local refugees visiting our classroom to share their personal stories. This will provide an opportunity for students to develop a deeper understanding of the refugee/immigrant resettlement process and how best to serve this population in our community.

# Westhill High School

## Warriors of the Month

### October

9th Grade: Liam Holleran always comes to school with a smile on his face, he participates in class and always works well with his classmates in class activities. He embodies the Other People Matter mindset daily. Keep it up, Liam!

10th Grade: Austin Getz has the ability and leadership skills to make anyone feel welcome. He is willing to be a group member or teammate with anyone, and makes sure nobody is left out. He gets everyone involved and does so with kindness and enthusiasm.

11th Grade: Owen Etoll is one of the kindest students. He is thoughtful and kind to all. He has self-control and shows his leadership skills in class. He is funny and uses humor to make uncomfortable situations better. He went out of his way to ask a teacher how her father was doing after knowing he had surgery. Owen encouraged a freshman to go to a club when she was apprehensive. He is just an all-around good person.

12th Grade: Shawn Mayes consistently wants to ensure his work is correct, not just for the grade but to ensure he is understanding the assignment and that he is completing quality work. He is also very respectful and is often the one keeping his partners/group on task. He is a positive role model for those around him.

## STEM Careers

Shawn Freed, Director of Firmware Engineering at SRC, visited Mr. Maimone's science classes to speak about his career journey and what he does in his role at SRC. He discussed projects that he led designs for and what opportunities there are for students that are interested in careers in STEM in the Central New York area.

## Thanksgiving Feast

On Tuesday, November 15, Mr. Zaia's class catered a Thanksgiving feast for their teachers and classmates. These students, the same group who are responsible for Warrior Brews, developed the menu and invitations, took a field trip to Wegmans to purchase the necessary supplies and later prepared the luncheon. A special thank you goes out to the Westhill cafeteria staff who helped with roasting the turkey. The students had a blast and were very proud of all they accomplished!

## Fantastic Fall

The fall 2022 season for the Warriors has been one for the record books, achieving many accolades. The Warriors were names OHSL League Champions in girls volleyball, boys cross country and girls soccer. These league championship led to Section III Champions in volleyball and soccer. Along with the team champions, Andrew O'Reilly was crowned the Class C, Section III Cross Country Champion. The Warriors completed the fall season with NYS Regional titles in girls soccer and volleyball while Andrew finished 4th in the NYS Cross Country Championship. Congratulation to all of our fall athletes on a phenomenal season?

## Support Westhill Groups Through AmazonSmile

Do you have last minute shopping before the holidays? Consider using AmazonSmile to shop while supporting one of several non-profit organizations that benefit Westhill students. Purchase items as you normally would, with no price increase or additional costs to you, and .5% of eligible purchases will go to the organization that you choose.

**Participating Groups:** OHMS Parent Council, Westhill Booster Club Inc., Westhill Central School District Educational Foundation Inc. and Westhill Elementary Schools Together

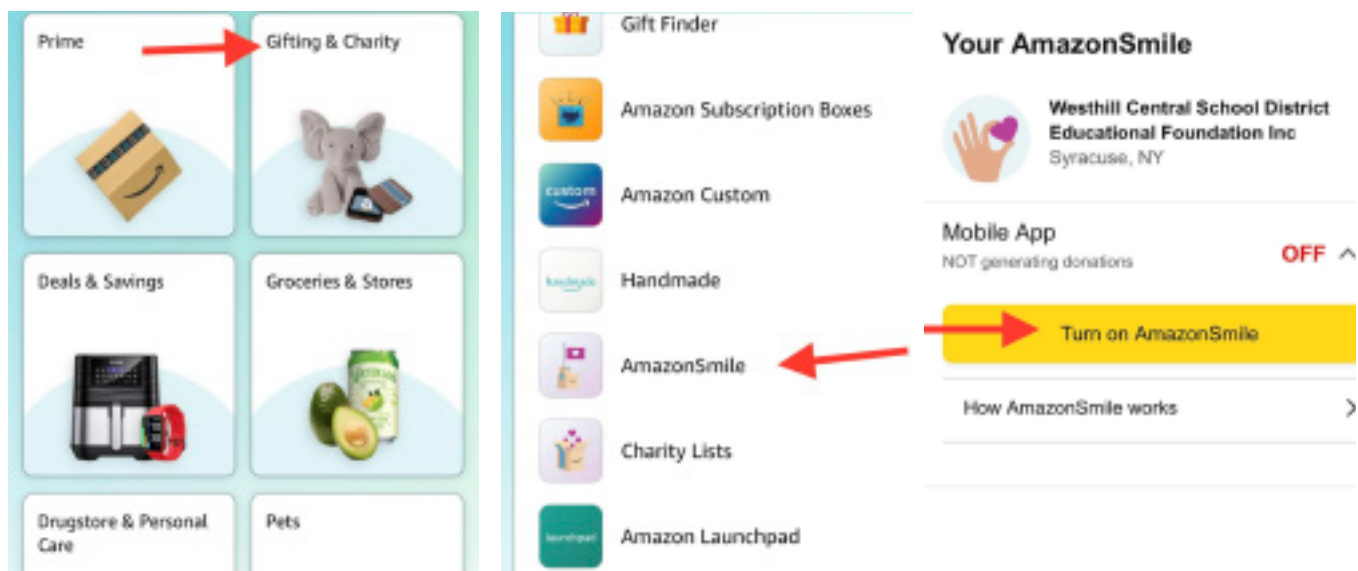

There are two ways to access Amazon Smile.

**To use with a browser:** Go to smile.amazon.com. If this is your first time on AmazonSmile you will be prompted to select a charitable organization to support. You can search for any of the Westhill groups listed above. If you already have an organization selected, you have the option to change at any time. Only purchases made through smile.amazon.com (instead of amazon.com) will count towards your selected organization so make sure to bookmark on your device!

Or, browse by cause		
 Pets & Animals	 Arts & Culture	 Education & Youth
 Environment	 Faith & Spiritual	 Health
 International	 Human Services	 Veteran

**To support charity, always shop at smile.amazon.com**

**To use with the App:** Download app to your mobile device and activate AmazonSmile in the mobile app. You'll need to find settings in the main menu and follow the steps below:

Thank you in advance for your continuing support of Westhill students!

## Walberta Park Elementary School News

### Attention Incoming Kindergarten Parents 2023-2024 School Year

Registration for the 2023-2024 kindergarten class at Walberta Park School is approaching.

If you have a child that will be five on or before December 1, 2023, please follow these simple steps:

1. Fill out the form below and return it to:  
Walberta Park School  
Kindergarten 2023-2024  
400 Walberta Road  
Syracuse, New York 13219-2297
2. Once we have received this completed form, we will send a registration packet in the mail for you to complete. You will need to include the following with your completed registration packet. Your child will not be registered at school unless we have on file the following:
  - Copy of your child's original birth certificate (original not required)
  - Proof of district residency (copy of deed, lease or rental agreement, mortgage statement)
  - Physical and immunization records (can be sent in later after the 5-year check up)
3. Please fill out the packet completely and return it to us between March 6 and March 7, 2023. You can mail it, drop it off or email it. There will not be an in-person registration day.
4. A kindergarten orientation will be held for students and parents on Tuesday, August 29, 2023. More information will be forthcoming.
5. Once your child is registered, you will receive a link to sign your child up for our kindergarten screening which will take place on June 26 and 27, 2023. Every incoming kindergartner must be screened to enter school. screening helps us make class placements and plan for instruction to best meet children's needs.
6. Student hours for the 2023-2024 school year are 8:40am to 3:00pm.

---

Please take a moment to complete this form and return it to the above address no later than January 27, 2023.  
(PLEASE PRINT CLEARLY)

Child's Name \_\_\_\_\_ Gender: M F Date of Birth \_\_\_\_\_

## Empire State Games Team Westhill

On Tuesday, October 26, a large group of Westhill students and staff, from all four of our school buildings, donned their school colors and tied up their sneakers for a fun-filled day at the Empire State Games Adapted Sports Clinic. The event was held at the CNY Family Sports Center in Baldwinsville. The students enjoyed participating in the many physical activities and games scattered throughout the two large fields of the sports center. They were also able to strengthen new friendships within their school community. Some of our older students were able to reconnect with old friends and staff from other schools as well. Westhill teachers and staff were on hand to enjoy all that the clinic had to offer while helping the students navigate throughout the day, whether it be with the physical activities or the social aspect of the day. What a great show of Westhill spirit and camaraderie. Way to go Westhill Warriors!
