January 24, 2025

Dear Parents, Guardians and Staff:

The Westhill Central School District has received the results for lead testing the water at Cherry Road Elementary School. All potable water outlets that are in service were tested. Eleven outlets came back with levels matching or exceeding the action level, 5 micrograms per liter, 0.005 milligrams per liter (mg/l), or 5 parts per billion. Non potable water signs have been placed next to the non-compliant outlets until remediation and retesting is completed.

Please feel free to contact my office if you have any questions.

Sincerely,  
Thomas Curtis  
Director of Facilities  
Westhill Central School District  
201 Cherry Road  
Syracuse, NY 13219
