April 28, 2021

Dear Parents, Guardians and Staff:

The Westhill School District has received results for lead testing in the water at Westhill High School. All potable water outlets that are in service were tested. One outlet came back with levels matching or exceeding the Action level (15 micrograms per liter or 0.015 milligrams per liter (mg/l) or 15 parts per billion). A Non Potable Water sign has been placed next to the outlet until remediation and retesting is completed.

If you have any questions, please contact my office.

Sincerely,
Edward Wittkowski
Director of Facilities
