# Kindergarten Supply List

For Students **Entering** Kindergarten at  
Walberta Park School  
2022-2023

Due to recent events, our classrooms are moving from a community supply model to individual supplies. Some supplies requested are for students to bring with them to the special area classrooms to help exercise caution. We have experienced a cut in our budget, but also realize that parents may also be facing hardship. If you are unable to provide the supplies, please contact your child's teacher or our school social worker (Beth Piorkowski [bporkowski@westhillschools.org](mailto:bporkowski@westhillschools.org)) and we will do our best to help.

When purchasing clothing and footwear, please keep in mind your child should be able to put them on and take them off independently. If your child can not tie their own shoes, **please purchase velcro closure or slip on shoes**. All supplies and belongings that come to school need to be labeled with your child's name. Thank you!

Items can be brought in with you the day of kindergarten orientation or dropped off prior to the first day of school. Having supplies ahead of time helps establish an easy transition to kindergarten.

Thank You,
