

Supply List for Students Entering Grade 4 Cherry Road Elementary School 2024-2025

Dear Parents,

We are aware that you may not have your specific teacher assignment at the time of receiving your school supply list. However, you will find common items that you may purchase beforehand. Also, there will be some supplies that may need to be replenished as the year progresses. Please have your child bring these items to school all in one bag. Items that have an x placed by them indicate that those supplies need to be brought in with students. Thank you for your cooperation.
